

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

SB 422 - HB 440

March 26, 2011

SUMMARY OF BILL: Replaces “the general welfare committee of each house” with “the Senate General Welfare, Health and Human Resources Committee, the Health and Human Resources Committee of the House of Representatives, and any standing subcommittee of the House Committee” regarding the legislative committees that the Departments of Health and Human Services are to provide a list of options available to the State under Medicaid and Temporary Assistance for Needy Families (TANF) including the extent of federal participation available under these programs by December 31 of each year.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Tenn. Code Ann. § 68-1-110 currently requires this list to be provided annually by the departments to legislative committees. The Bureau of TennCare is responsible for the Medicaid portion of the report, not the Department of Health.
- Updating Tennessee Code Annotated with the current legislative committees will not change the current reporting requirements.
- No fiscal impact to state government.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
